REQUEST FOR INPUT
Munitions Response Site Prioritization
Marine Corps Installations East-
Marine Corps Base Camp Lejeune
Jacksonville, North Carolina

The Navy is seeking public input about setting priorities for responding to five munitions response sites at Marine Corps Installations East-Marine Corps Base Camp Lejeune (MCIEAST-MCB CAMLEJ).

Preliminary assessments and site inspections are being completed at the five sites (UXO-22, 23, 24, 25, and 26). The prioritization scoring for these sites were developed in June 2012 based on currently available data. There are currently 26 munitions response sites at MCIEAST-MCB CAMLEJ.

For More Information: You are invited to attend the next Restoration Advisory Board (RAB) meeting, where the munitions response sites and prioritization will be discussed:

When: August 16, 2012, at 6:00 pm

Where: Coastal Carolina Community College,
Business Technology Building, Room 102

Munitions response site documentation and prioritization scores are also available at the information repository and on the public website for MCIEAST-MCB CAMLEJ:
